Faculty, staff and students are required to fill out this form every semester, including summer (once for both summer sessions).

The validity of the System Account is until the last day of the last month of the current semester; e.g. if the account is requested in October, the account will be valid until December 31st.

If this form is for renewal, the research description is not necessary, unless the research topic has changed.

Accounts must be renewed every semester, by mailing this form by local courier to:
