The University of Texas at El Paso
Environmental Science and Engineering Ph.D. Program

DISSERTATION PROPOSAL DEFENSE

We, individually and acting as a committee, hereby affirm that:

__________________________,
a Ph.D. candidate in the Environmental Science and Engineering program, has presented and successfully defended a topic that we deem acceptable for his/her doctoral research, and we find that the student has the academic and professional background required to address the topic. In addition, we have reviewed the student’s records and we find that the student has completed, or has committed to complete, a program of study that complies with all necessary course requirements, said program being the equivalent of a comprehensive examination.
