Students are urged to study the general requirements for graduate degrees stated in the Graduate Studies Catalog. Students are responsible for checking their own progress to be sure they meet these requirements. Any deviation from the above course schedule must have the approval of the Department Graduate Advisor and the Associate Director of the Graduate School. The Preliminary Degree Plan should include all coursework required for the graduate degree. It does not constitute a waiver of any requirements for the degree as set by the Graduate School or Department. Program requirements beyond the minimum required for the degree are listed above.
